WELCOME LETTER

THE GUILD CAFE

Welcome to Crested Butte's all organic eatery! We are a collaborative cafe co-created by Mountain Oven Organic Bakery and First Ascent Coffee Roasters. Serving seasonally inspired breakfast and lunch alongside fresh-roasted coffee. We source local and organic ingredients, prepare them with care and intention, and serve them with love. Thank you for your support! Ask us about catering - for private parties, business meetings, weddings, & more - celebrate in our beautiful cafe or have us come to you!

WE'RE BUYING A FARM!

Mountain Oven is thrilled to announce we are in the process of buying a farm in Paonia, CO. We plan to build an on-farm production bakery and kitchen through the winter of 2017-2018 and will begin larger wholesale distribution from this new facility in 2018. We also plan to grow food for our cafe, which will continue to serve the community of Crested Butte. We are seeking investment and partners - please email bread@mountainoven.com if you are interested in being a part of this vision.

NOTE ON REDUCED MENU

We are reducing our offerings in order to better prepare for the upcoming transition to a new operation and business model. Thank you for your support!
